Now I'm climbing the walls
But you don't notice at all
That I'm going out of my mind
All day and all night

Some things gotta give now
Cause I'm dying just to know your name
And I need you here with me now
Cause you've got that one thing

So get out, get out, get out of my head
And fall into my arms instead
I don't, I don't, don't know what it is
But I need that one thing
And you've got that one thing

So get out, get out, get out of my mind
And come on, come into my life
I don't, I don't, don't know what it is
But I need that one thing
And you've got that one thing

You've got that one thing

Get out, get out, get out of my head
And fall into my arms instead

So get out, get out, get out of my head
And fall into my arms instead
I don't, I don't, don't know what it is
But I need that one thing
And you've got that one thing

And come on, come into my life
